HOW TO PICK THE RIGHT FABRIC

- » Recommended fabrics: Sweater knits, double knit fabrics, fleece, felted wool knits, quilted knits, knit bouclé, jacquard knits, french terry and knit velour.
- » Choose a knit that has between 20% to 40% stretch crosswise, with minimal stretch lengthwise.
- » The pattern is designed for stable, medium to heavier weight knits. The pattern is not suited for 4-way stretch and lightweight Spandex knits nor is it drafted for woven stretch fabrics.

The Eivy cardigan is a **semi-fitted style with around 8 cm (3") of ease**. If you are between sizes or are using thicker fabrics, **go up a size rather than down**, especially if you prefer more ease. If you are a size 56 (24) there is already a little extra ease included to accommodate for thicker fabrics.
